The Midwest Chapter of the American Academy of Psychiatry and the Law (Midwest AAPL, pronounced "apple") is the chapter of the American Academy of Psychiatry and the Law composed of Midwestern states and AAPL members practicing in these states. Serving the same mission as the national organization, Midwest AAPL is dedicated to promoting training and excellence in practice, teaching, and research in forensic psychiatry.

Course Objectives

The goal of the conference is to inform attendees about current major issues in forensic mental health and afford them opportunities to refresh skills in the fundamentals of the discipline, engage in discussion with peers on the standards governing the profession, and update their present knowledge. At the end of the conference attendees will be able to:

1. Describe and implement enhanced consultative strategies at the interface of psychiatry and the legal profession.
2. Apply improved techniques of examination, testing, teaching and communication in forensic settings - both in their own work settings and in their supervision of residents, students and allied health professionals.
3. Discuss the impact of the legislative and political landscape on the practice of forensic psychiatry

Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the American Psychiatric Association (APA) and the Indiana Psychiatric Society (IPS). The American Psychiatric Association is accredited by the ACCME to provide continuing education for physicians.

Credit Designation Statement

The American Psychiatric Association designates this Live activity for a maximum of 11.25 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
