## *40th Anniversary of the Tri-State Chapter of AAPL*

Please join us in celebrating the 40th Anniversary of the Tri-State Chapter of AAPL with a **Gala Dinner at the Union Club** here in New York City. There will be a cocktail hour beginning at 6:30 pm with open bar and passed delicious hors d'oeuvres. Dinner and evening program will begin promptly at 7:30 pm.

The Union Club was founded in 1836 and has a landmarked building on the corner of Park Avenue and East 69th Street. The club currently has a world-renowned French chef, Jean-Louis Dumonet. The Club requires proper attire, coats and ties for gentlemen and equivalent attire for ladies. Cell phones and other electronic devices cannot be used in the club except in the designated "phone booths."

The actual cost of the evening is greater than the subscription price. This will be another joyous event as was the 25th Anniversary Gala at the New York Academy of Medicine and the 30th Anniversary Gala, which was also at the Union Club, receiving much acclaim.

1) Please bring a PHOTO ID. Sign in at the Registration table and pick up your nametag and packet.

2) Directions and Map

**Directions to the New York State Psychiatric Institute And Map of the Columbia Presbyterian Medical Center**

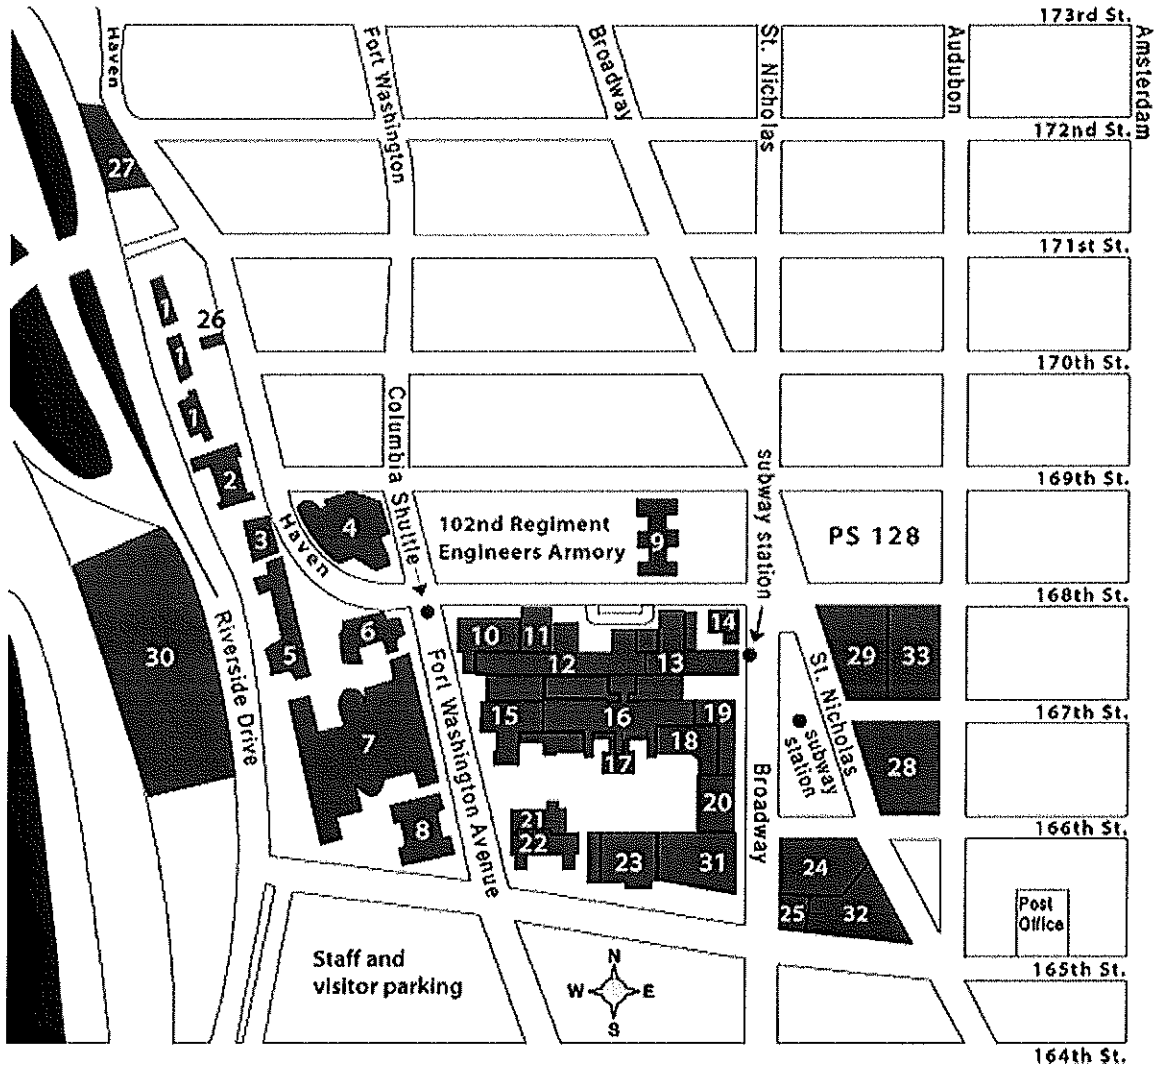

The New York State Psychiatric Institute consists of two buildings in northern Manhattan, one (the "New PI") is at 1051 Riverside Drive, and the other (the Lawrence G. Kolb Research Laboratories/Kolb Annex) is at 40 Haven Avenue. They are connected by a bridge that goes over Riverside Drive. The Conference auditorium is located on the First Floor of the New PI. Unless you are traveling by car or cab, we recommend coming to the New PI via the entrance at 40 Haven Avenue.

**By Subway:** The New York State Psychiatric Institute is directly accessed by the A (express,) C, and 1 subways. Get off at 168th Street. The subway stop at 168th will indicate Columbia-Presbyterian Medical Center (on the 1 subway you will take an elevator up to ground level, on the A and C lines you will be on that same ground level and will walk up one short flight of steps to the street). Go to the corner of 168th Street and Broadway and walk west toward the Hudson River.

**On Foot:**

From the corner of 168th Street and Broadway, walk west toward the Hudson River. After Ft. Washington Street, 168th Street will turn into Haven Road. Haven Road will be a curved road or a cul-de-sac. At this cul-de-sac, you will see 40 Haven Rd, a large brick building. This is the Kolb Annex of the NY State Psychiatric Institute. Enter the Kolb Annex. You will be asked to sign in, and you will be directed to the bridge (that crosses Riverside Drive) which will take you to the 6th floor of the new portion of PI. Take the elevators down to the 1st floor. You will see the Registration table in the atrium lobby. The Conference auditorium is on the same floor.

**By Auto:** Visitors may be dropped off and picked up from the driveway entrance at 1051 Riverside Drive in front of the New York State Psychiatric Institute Building. There is no accommodation for automobiles to park at this entrance, but parking is available either on Riverside Drive (free) or at the parking lot at the corner of Ft. Washington Ave. and 165th Street (\$26). When entering from this entrance you will be asked to sign in at the security desk in the first floor lobby. You will see the Registration table and Conference Auditorium as soon as you walk in.
